

CO-OPERATORS CENTRE GUIDELINES

The health and safety of guests to the Evaz Place campus is of the utmost importance to REAL. All permit holders operating in the Co-Operators Center must be in compliance with the following guidelines.

Facility Users Will:

- **In accordance with the current Public Health Order, masks are mandatory inside the facility except when engaging in physical exertion.**
 - Anyone with COVID-19 symptoms should go straight home and contact HealthLine 811 for further guidance. If a patron is severely sick (e.g. difficulty breathing, chest pain, etc.), call 911.
 - The Co-operators Center's primary doors on the east side of the facility are the only doors for entry and exit.
 - All user groups are asked to arrive at the facility no earlier than **thirty (30) minutes** before their scheduled time. If they arrive early, they will be required to wait outside while observing physical distancing until **thirty (30) minutes** prior to their scheduled time.
 - All teams are required to exit the dressing rooms within **fifteen (15) minutes** after their scheduled rental time has ended.
 - Dressing rooms are available for team use. User groups are expected to maintain physical distancing in the dressing rooms.
 - Parents and other spectators must not total more than the maximum gathering limits (30 people) per team at each game/activity and must ensure physical distancing between non-household members.
 - Spectators must maintain distancing of at least two metres from other members of the public. Spectators (excluding parents and guardians where necessary for player support) should be kept out of participant spaces (e.g. dressing room hallways, benches).
 - Spectators may utilize the 1st and 2nd floor viewing spaces as well as the perimeter surrounding inside the arenas. Spectators are asked to avoid congregating in front of the dressing rooms to avoid congestion.
 - For the safety of our fellow athletes as well as REAL cleaning staff during this health pandemic, please refrain from spitting in the players benches, penalty boxes, dressing rooms and floors. **Failure to adhere to this policy will result in a \$25 fine to be charged to the permit holder, and possible cancellation of future ice rentals.**
 - Main floor washrooms services will be fully operational and cleaned frequently.
 - Guests are strongly encouraged to bring full water bottles to programs and to not share water bottles. Water bottle filling stations are open and will be frequently sanitized.
 - No single group on the ice surface shall exceed thirty (30). Groups/Teams need to be separated while on the sidelines, and players cannot exceed gathering limits during games, practices or training.
- ### REAL Will :
- REAL will clean all player benches and rink board gates. There will be fifteen (15) minutes allotted between groups to perform thorough disinfecting of facility spaces.
 - REAL has implemented intensified cleaning and disinfecting procedures including more frequent cleaning of high-touch surfaces.
 - The Co-operators Center's Guest Services desk will be open to assist with any inquiries guests may have.

For all other general inquiries and patron assistance, please contact The Co-operators Center's Guest Services desk at 306-781-9292.
